## TO TRANSFORM ASIA'S MOBILITY LANDSCAPE

MobilityTech  
Asia

BANGKOK

The International Electric Vehicle Technology Conference and Exhibition (iEVTech 2026), hosted by the Electric Vehicle Association of Thailand (EVAT) in partnership with Informa Markets, is a leading platform for knowledge exchange and executive networking in the EV sector. It brings together global experts, industry leaders, and pioneering companies to showcase cutting-edge technologies, spark collaboration, and uncover high-impact opportunities across the EV Supply chain. Serving as a strategic meeting ground, the conference enables executives and decision-makers to gain insights that will drive the future of electric mobility.

The Future MOVE Forum, jointly organized by MOVE (KMUTT) and Informa Markets, is the flagship conference and Asia's premier international platform for smart mobility. Designed as a high-level forum, it brings together C-level executives, policymakers, and industry pioneers to accelerate innovation across hydrogen, intelligent transport, AI-driven mobility, and emerging ecosystems. Leveraging a global network, the forum delivers actionable insights, fosters strategic partnerships, and facilitates executive panel discussions that shape smart, sustainable, and inclusive mobility systems across ASEAN and beyond.
